DID YOU RETIRE IN 2013?

If yes, your taxes may be much more complex this year. You may have:

- W-2 with vacation pay and severance
- 1099R Pension
- 1099R with 401K rollover or withdrawal
- 1099SSA Social Security
- 1099R Possible IRA withdrawal
- 1099G Unemployment Compensation

along with your regular Interest, dividends and perhaps a mutual fund or stock sale or two. You may also have new deductions, including medical expenses with your Medicare and Supplemental insurance paid by you. All of these could make doing your taxes this year - and planning for next year with either withholding or Estimated Taxes a new challenge.

STRAUSS TAX SERVICE can accurately prepare your 2013 tax return, answer your questions about the old and new tax laws and plan for 2014 taxes. We are located at **624 62nd Street, Downers Grove and are open from 9 am- 9 pm daily.**
